

# Want to Earn Extra Money?

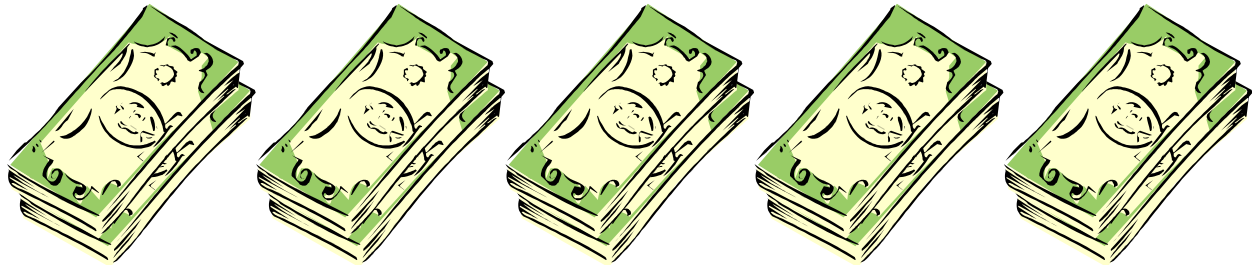

The 3 step  
D. P. Murphy Employee Referral Program  
can help.

Here's how it works:

1 If you know great people who would love to work for our company, complete this employee referral document immediately. Get a copy of additional forms from your G.M. The form **MUST** be completed and submitted into your H.R. Dept. **PRIOR** to them applying.

2 Encourage the quality individual that you know to apply for employment with the company.

3 Sit back and wait. If your referral is hired and continues to meet our expectations after 90 days, we will add an extra \$100.00 (minus statutory payroll deductions) to your pay cheque.

You can make as many referrals as you wish.  
The more you make the greater your chance of earning extra money.

If you have any questions regarding this program,  
please give Dianne Griffin a call at (902) 894-5900 ext 109 or ask your General Manager.
